These days, it seems like everyone is surrounded by so much talk about pinching pennies that it can really wreak havoc on the libido. Which is why **JUST 18** decided to go all out this time around and spare absolutely no eXXXpenses—this issue is wholly packed the fuck out with dimes. We've amassed a priceless collection of sexy-ass girls who are all so young, so adorable and so naked that you'd better go ahead and bank on feeling spent 'cause you're about to be squandering massive amounts of seed in their honor! Pull out your tissues, lotion and whatever else is in your tug kit and prepare to go completely crazy for the likes of edgy **Alissa** who is well on her way to becoming a cock star, the recently devirginized **Nicole** getting smushed by Dennis, sassy **Gypsy** fiercely guarding her V, **Sandra** and **Susie** jammin' out with their clams out, cover kewpie **Kelly** indulging in a hot solo love fest plus stacks more sweeties posing prettily in order to stimulate your stroking spree. It's time to forget about your troubles and focus on the present, and presently there are oodles of sizzling teen temptresses waiting just a few pages from here...wild, willing, horny as hell and—hells yeah—**JUST 18!**

YOUNG AND FRESH

Dear J18: Some people say that love is what makes the world go round and I sort of agree. But I don't think love is the right word for me. More like lust that makes my world go round. It at least makes my wrist throb from jacking so much, that's for sure. I never jack as hard or as often as when I have a brand spanking new issue of *JUST 18* in front of me. I have a bit of a thing for young ladies (there I said it) and the ones in your magazine are all my type. Young, fresh and lovely, that is. I am not super particular, but I don't like it very much when a girl looks all used up. Most of your models look like they've just recently been introduced to the pleasures of sex, so they still have that shiny quality that I find so appealing. What I wouldn't give to be 18 again myself! Oh boy, if I knew then what I knew now...well everybody says that I guess. ~Randy in TN

RUBBER DUCKY

To All the Sweeties of *JUST 18*: Oh if only I had the words to express exactly how much I love you all. You keep me awake nights! You give me reason to live! You make bath time fun! Thank you, thank you, thank you!
~Larry in NE

TWO FOR ONE

Dear J18: I have a concept for a photo shoot that I think you might find interesting. What if you shot a set of a super hottie with a wig on? A wig the complete opposite of her actual hair color is what I'm saying. So if, for example, she naturally had long blonde hair her wig would be a short dark one, etc. And then midway through the picture shoot she could pull the wig off! It would almost be like getting two girls in one! Can you see what I am saying here? So first I'd be greasing my weasel to a brunette and then I'd turn the page and BAM! She'd be blonde! And it would be perfect because I'd already have a rapport with her, you know, from the first shots and already have wood in tribute to her beauty. But then I'd be turned on anew by her sudden revelation of her real hair! It would be like her getting more naked after she's already naked. Just a thought. ~Z in NJ

RUFFLE HUFFER

Dear J18: I don't know about anyone else, but I like the babes in my pornographic magazines to be sporting frilly little socks. Barefoot is okay I guess, especially if they sport a fresh pedicure in a shade of light to medium pink. But high heels are not a good thing. They look like weapons and do not turn me on. The best is a pair of thin white cotton socks with a little ruffle at the top. The ruffle can be white or pink, and it may or may not have a bow. Preferably not I guess. Simpler is better, I always say. So throw me a bone here (a bone for my boner, ha ha!) and feature some photographs of girls in white cotton ruffle socks, will ya! Thanks in advance. —Dwayne in NC

A POEM JUST FOR JUST 18

Yummy, delicious, pussies like candy
Make my dick so hard.
Sweet but not really so innocent.
Perfect 18-year-old bodies
Look so nice in naked poses.
Firm round boobies juicy to nibble.
Soft lips to kiss make my mouth water.
I want to taste you.

—Original Poetry by Joseph in IA

A GESTURE OF GOODWILL

Dear J18: Given the opportunity, I would gladly fuck each and every one of the girls in your magazine. I would do this free of charge, simply as a charitable gesture of goodwill. I think it's only right to send them out into the world knowing what it feels like to be properly fucked, and I am more than willing to be the guy who shows them. Some of the tools who screw them in the pics clearly don't know what they are doing and it pains me to think that that poor gal is going to go on from there thinking that is how it is done. They deserve more. They deserve me. —Victor in CA

BRIMMING WITH BARE

Dear JUST 18: This is a sincere thank you letter from the depths of my soul. I am so thoroughly appreciative of the work you do. If it weren't for your publication, I might never find the enthusiasm to rub one out. The ladies that grace the pages of your JUST 18 magazine are all top-notch. I don't know where you find them, but may there be an endless supply. I notice that you never seem to re-run pics of babes you have featured before, which is something I also wish to commend you on. Not that I would mind seeing most of the ladies again in different circumstances, it's just that you make it seem like the entire world is brimming over with gorgeous little ladies eager to bare themselves just for me. —Darin in WI

If you want a nicey-nice girl who's all butterflies and innocence then you'd better look someplace else. I'm not some wishy-washy, namby-pamby babe in the woods. Oh no. I'm a real hot, bad ass, party all night kind of chick and with this bod I have no plans to take any prisoners. I'll invite ya to rock out with your cock out while I jam out with my clam out, and I promise that if you cum hang with me for a while it'll be a whole lot of fucking fun. I will blow way more than just your mind. Right now I'm not looking for anything other than a good time, so don't get any fancy ideas about anything long term. I'm determined to make the most of every single day by making it as much as possible, so let's get together and GET IT ON! 13

MARY

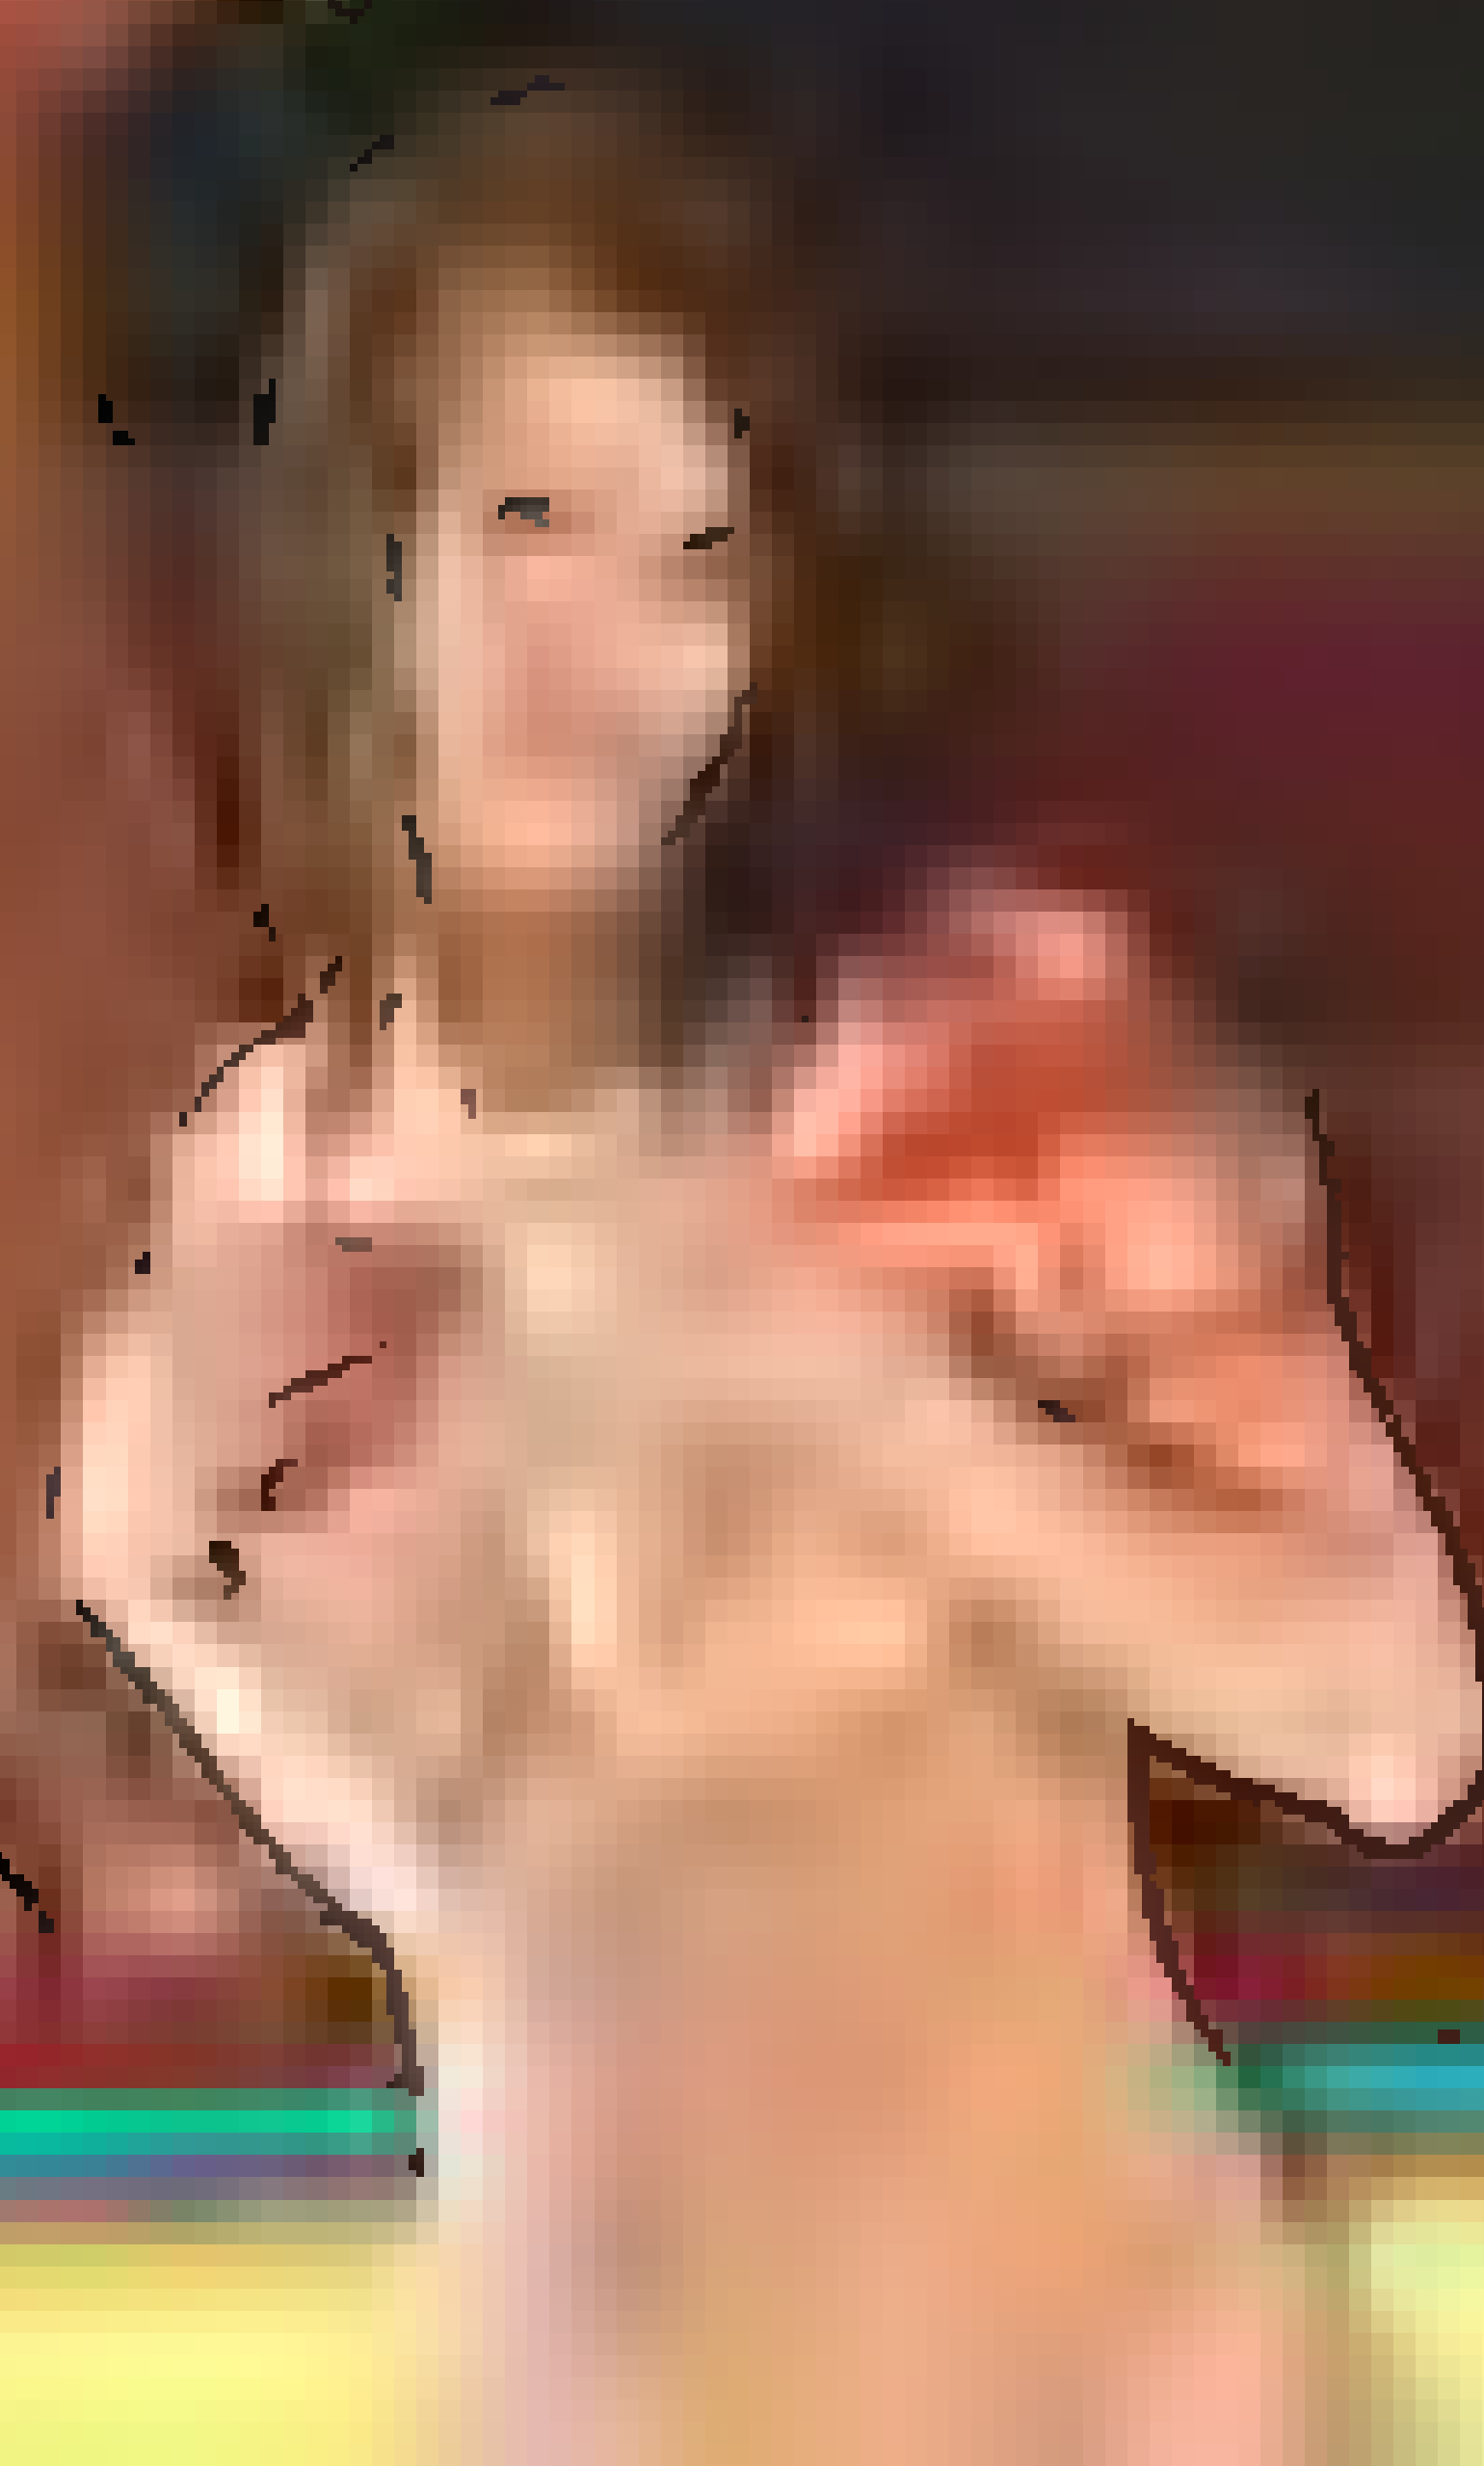

Not too long ago I met this boy online and now I'm like totally in love. The only problem is that he lives way far away so I've never been with him in real life but we hook up using video chat almost every night. We'll start out talking and he'll tell me all about his day, then suddenly he'll ask me to strip for him. At first I felt silly doing a sexy dance for my computer screen but when I saw how hard he got watching me I started to get turned on too. Then he'll tell me to pose for him in all different crazy sexy positions, and sometimes I'll bust out this huge black cock he sent me in the mail and suck myself with it while watching him jack off. The whole thing gets me super hot! I can't wait to meet him in person! ☺

BREAKING ADAM'S ABSTINENCE

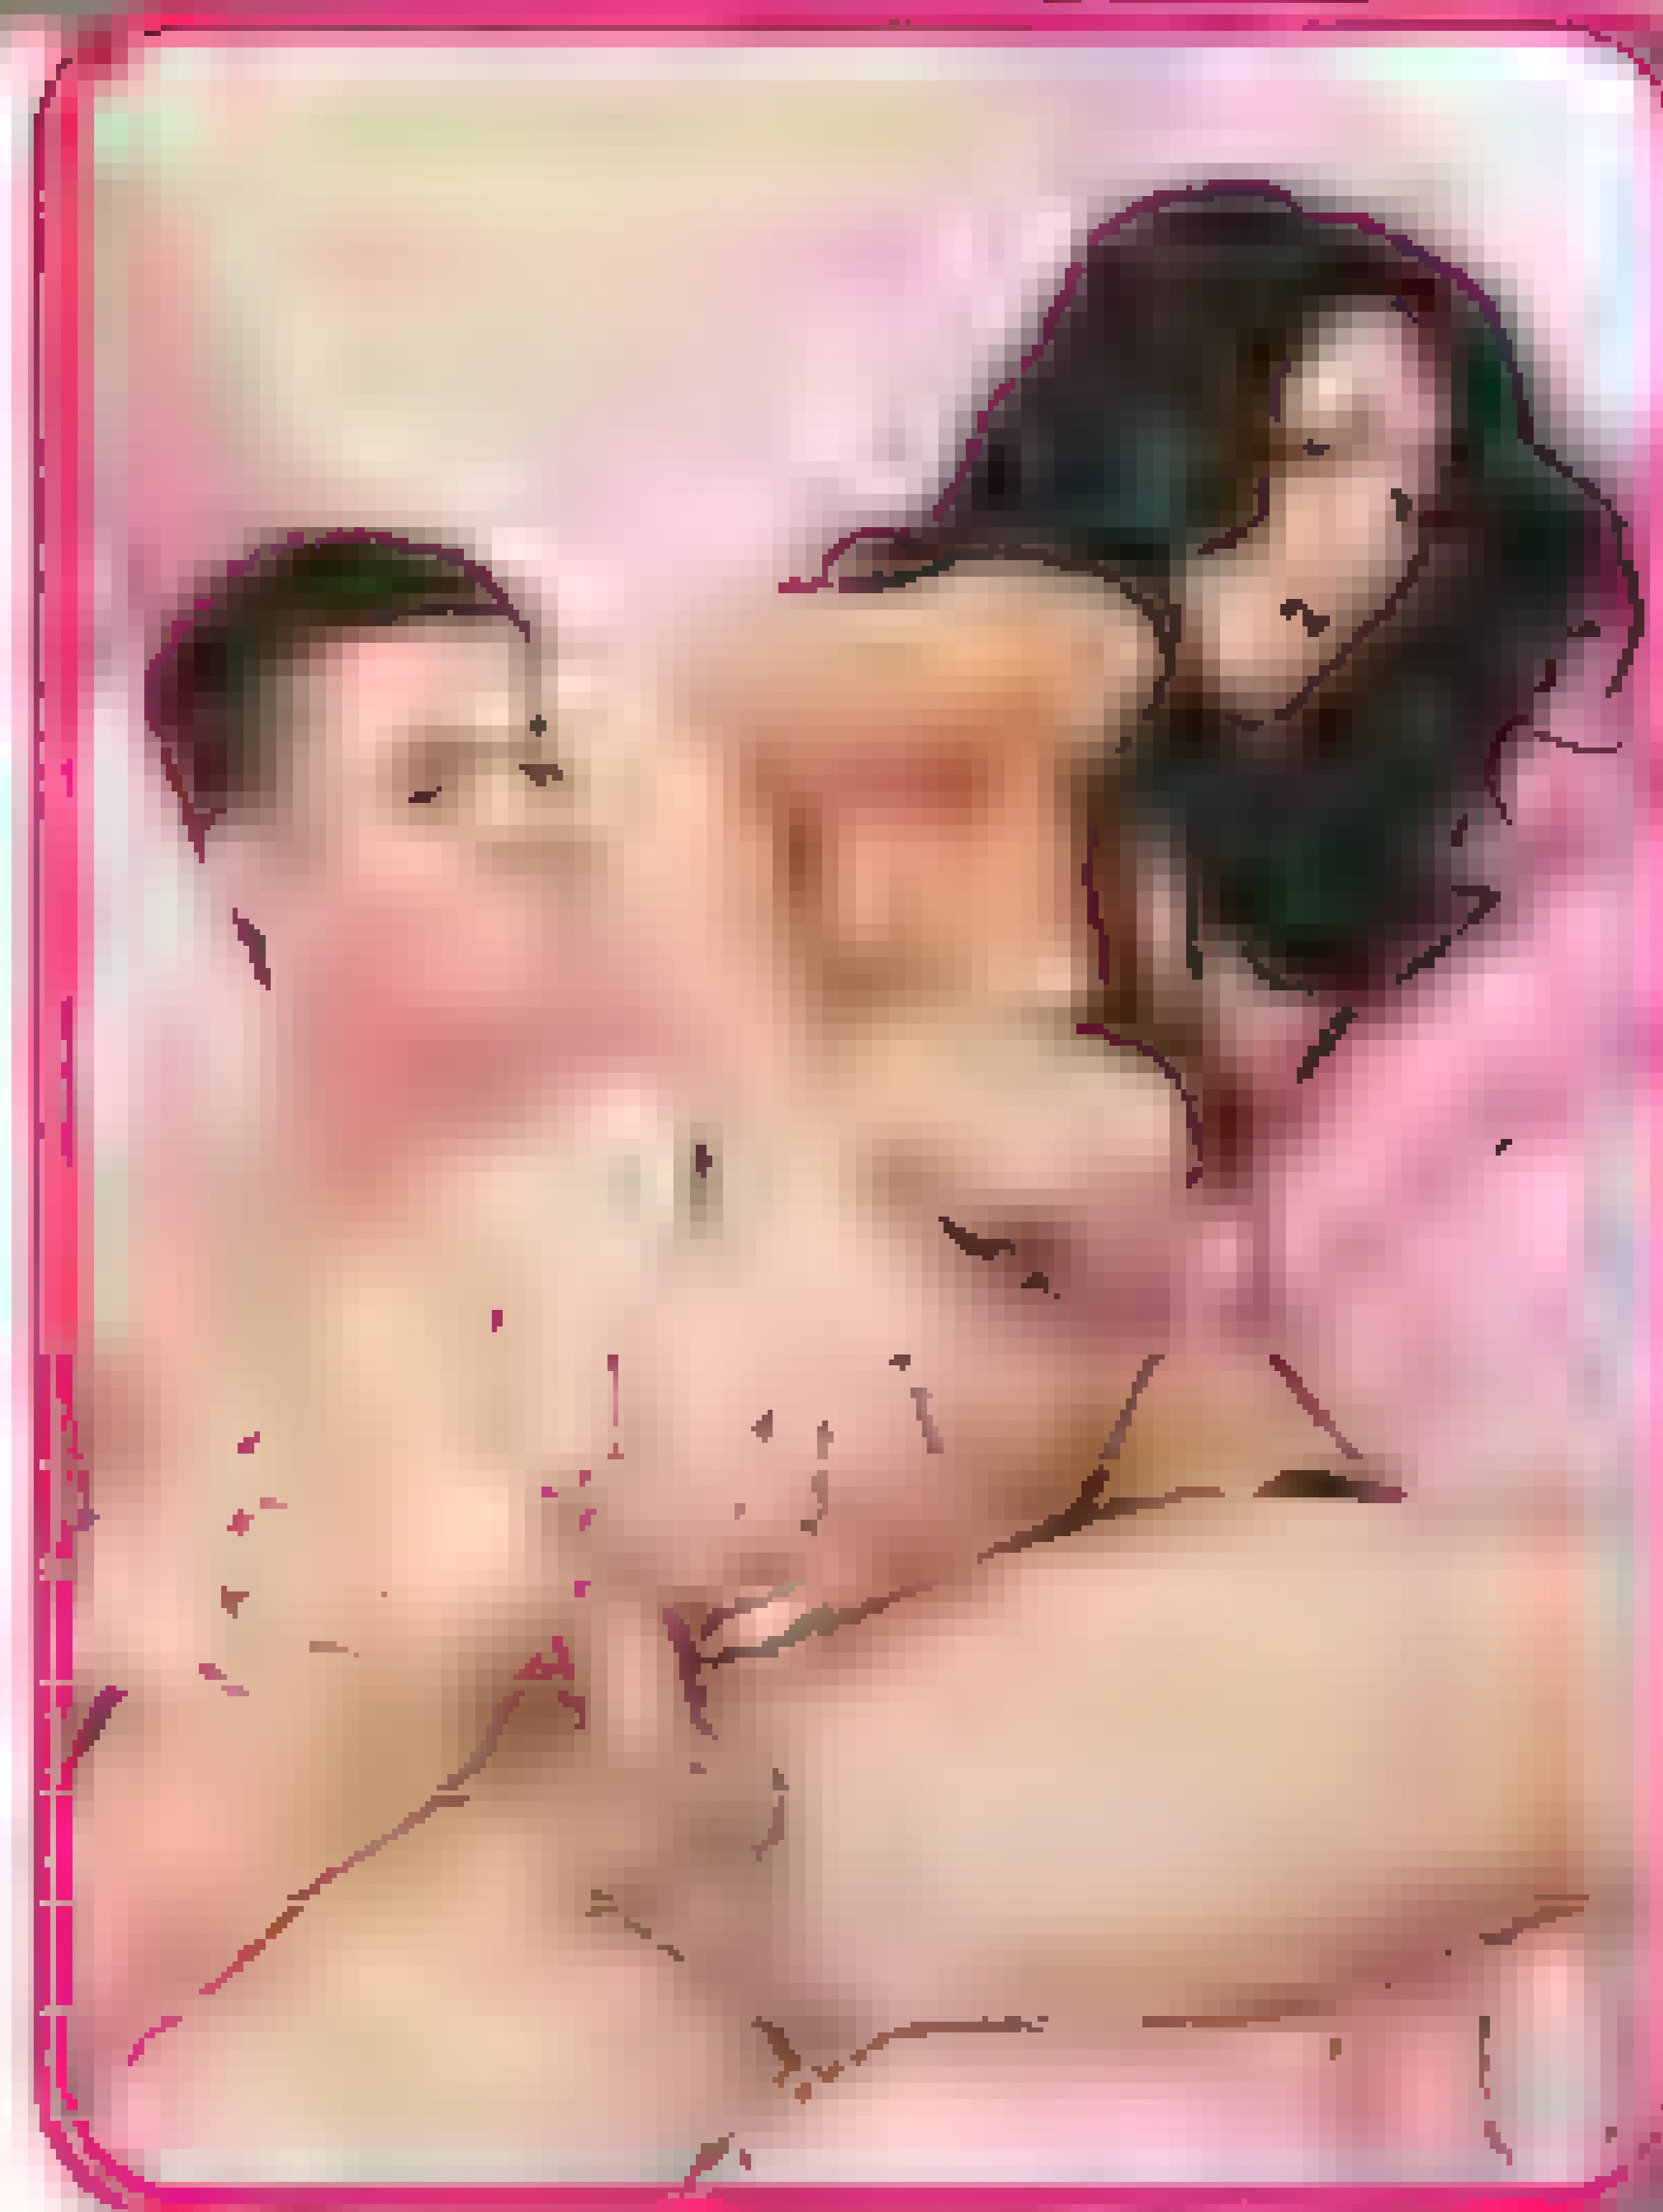

The time had come. Adam and his girlfriend Rachel had broken up almost a month ago, and I wanted some of what she'd foolishly thrown away. He was cute and smart and if he wasn't going to make a move when he saw me in our geology class, I decided I'd have to do something about it myself before the end of the semester. Me, Lauren Sue McSwade, 21st Century Adventuress. Since I'd given up my V-card last November, I was keeping pretty active out of my panties.

Luckily Adam lived in the same dorm complex that I did, just on the other side. I took a walk over the connecting bridge one night to see what was up. It was quiet on his floor. Everybody was studying for finals. I found his door and knocked.

"It's open," came his voice.

I thought I'd find Adam poring over some book but he was listening to music on his iPod and texting some one. "Oh, hey McSwade. What's going

on?" He finished his text and put the phone down.

"You tell me," I said, closing the door and sitting down on the floor with him. I knew his roommate was at the library.

"Tell you what?"

"You're not a fool, so what's the problem, Adam?"

"I don't know what you mean." But he took a glance at my titties as they shuffled around under my tee.

"Why you playing dumb and humiliating me, Adam? You know I like you. Everybody knows. And they know you like me, too! And since Rachel was so ready to kick you to the curb like the thoughtless dwarf she is, I thought maybe you'd come to your senses."

"She's not a dwarf, she's just petite. And dwarf is a word that people

StoreMags.com - Free Magazines Download in True PDF format

shouldn't use any more." He took out his ear buds and put the iPod aside. "Look, I know what you feel and I do like you, but I'm the wagon. Abstinence is the word. The A card, McSwade. If I wasn't celibate, you'd be my first choice."

"Aw, did you get your

feelings hurt by mean ole Rachel? You're gonna turn into some kind of emo boy, Adam?"

"No reason to get abusive." But he was checking out my tits again. Now my nipples were hard, and not because it was chilly in the room. I

got turned on when I'm assertive. I crossed my arms over my chest so he wouldn't get any more of the free show, then I sat up straight.

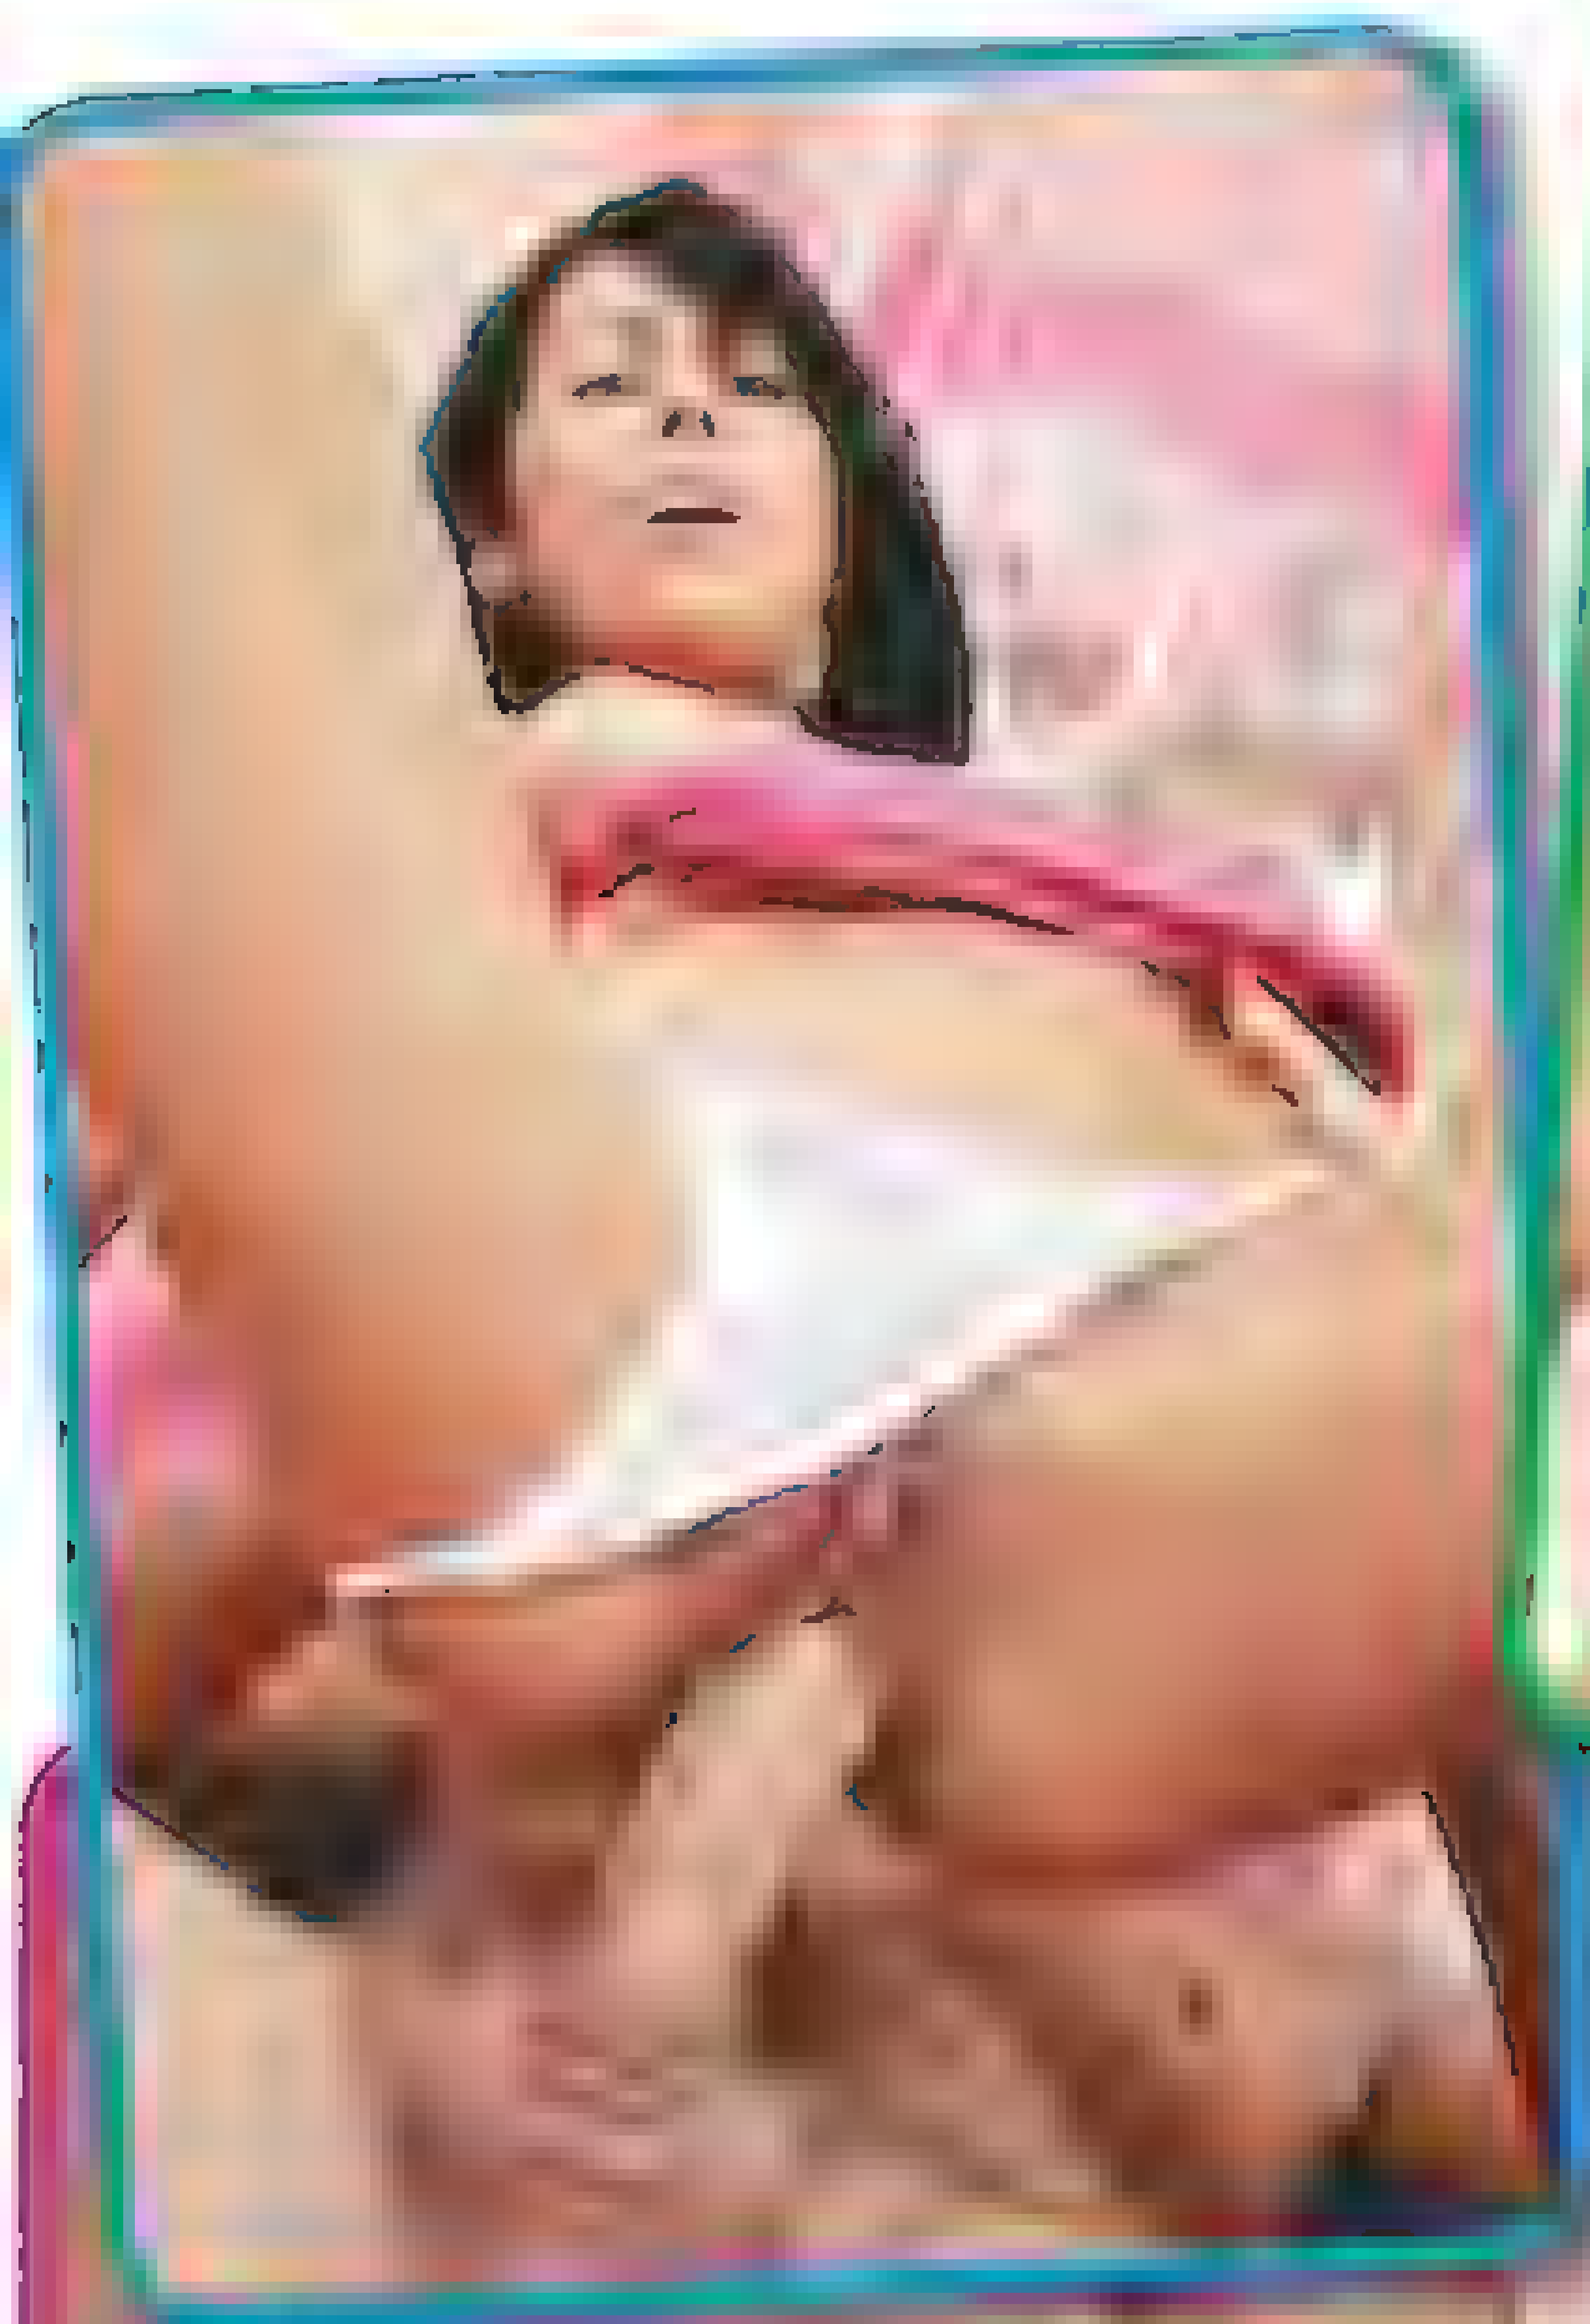

"Somebody told me you wrote that anonymous editorial in the campus paper praising masturbation. That's not abstinence."

"It's only rumors I wrote that letter. Well, all right, I admit I did. I was feeling philosophical, and I had a lot of brew that night. Ask my roomie."

"3.2 beer made you write that?" Hindenburg College was in a dry town, but the supermart could sell 3.2. "I can't see you as the permanent whacking off type, Adam dear." I knew that with my arms crossed, I gave off a schoolteacher vibe, and I hoped it would work some magic. Make him feel ashamed of pulling his peter, because it sure sounded from that letter that he was pulling it a lot. The paper publishes anything these days to stir up controversy.

"I was just being droll, McSwade. Well, maybe I was trippin' a little."

"I can understand why you overreacted," I said. "Rachel really owned you, and she made you look bad. She

was like a Napoleon with a vagina. Everybody could see it. And then, when she started fooling around with that creeper from her history seminar—ugh. What did she see in him?" I uncrossed my arms and put my hand on Adam's leg. He was wearing shorts and it was nice to feel the cool smoothness of his thigh.

"Well, you call him a creeper, but a lotta girls think he's a dime."

"He's not ten on my scale. Don't let Rachel turn you into a monk, Adam." I reached over and kissed him quickly on the mouth, then retreated. He didn't back away. So much for his "philosophical" principles, I thought, so then I moved close again and kissed him longer.

"You might make me throw away a valuable life experience, Lauren Sue," he said, as our tongues broke apart for a minute. "Maybe I'll learn something if I stick with the A-card for awhile."

"Learn what?"

"Can't tell you till I learn it. Guess I won't learn it now!" And then he kissed me harder and one hand went straight for my boobs.

We stretched out on the floor awhile, and Adam pulled up my tee and sucked on my nipples. He was hungry, all right—I guess that's what a month of abstinence will do to a guy. I closed my eyes and ran my fingers through his hair. I could hear myself moaning and I couldn't have been happier.

Suddenly he broke away and sat on the bed. "No! You're gonna do the same thing to me that Rachel did. Dump me for some jerk. Girls are heartless these days. If I don't stick with the A-card, I'll always be weak. If I know I have the A-card on my resumé, I'll be ready to retreat when I have to, gather my forces, man up, and be ready for the next skirmish."

"Adam, are you in Professor Stevens' course on the Punic Wars?"

"How did you guess?"

"Come here, General Hannibal," I said, "show me that Carthaginian cock."

Ah, when it came to his principles, Adam was a pussy, and I was glad for it. He was putty in the hands of a girl like me. Fresh from losing my

V-card and looking my best for it, from my hair to my titties to my kitty to my toes, I was damn near irresistible. Hey, that's it, call me Irresistible McSwade.

I stood up, pulled off my tee and sneaks and hiked up my skirt and then I pulled off his clothes and pushed him back on the bed and stroked his prick. He was already hard, and I put it in my mouth. He held me gently by my hair and moved my face up and down on his pretty inches. I wonder if he would have been mad if he knew I thought they were pretty, but I did. His balls too. Yeah, I really spent a lot of time on those, licking them and taking them in my mouth. The things I've done since I lost my V-card...

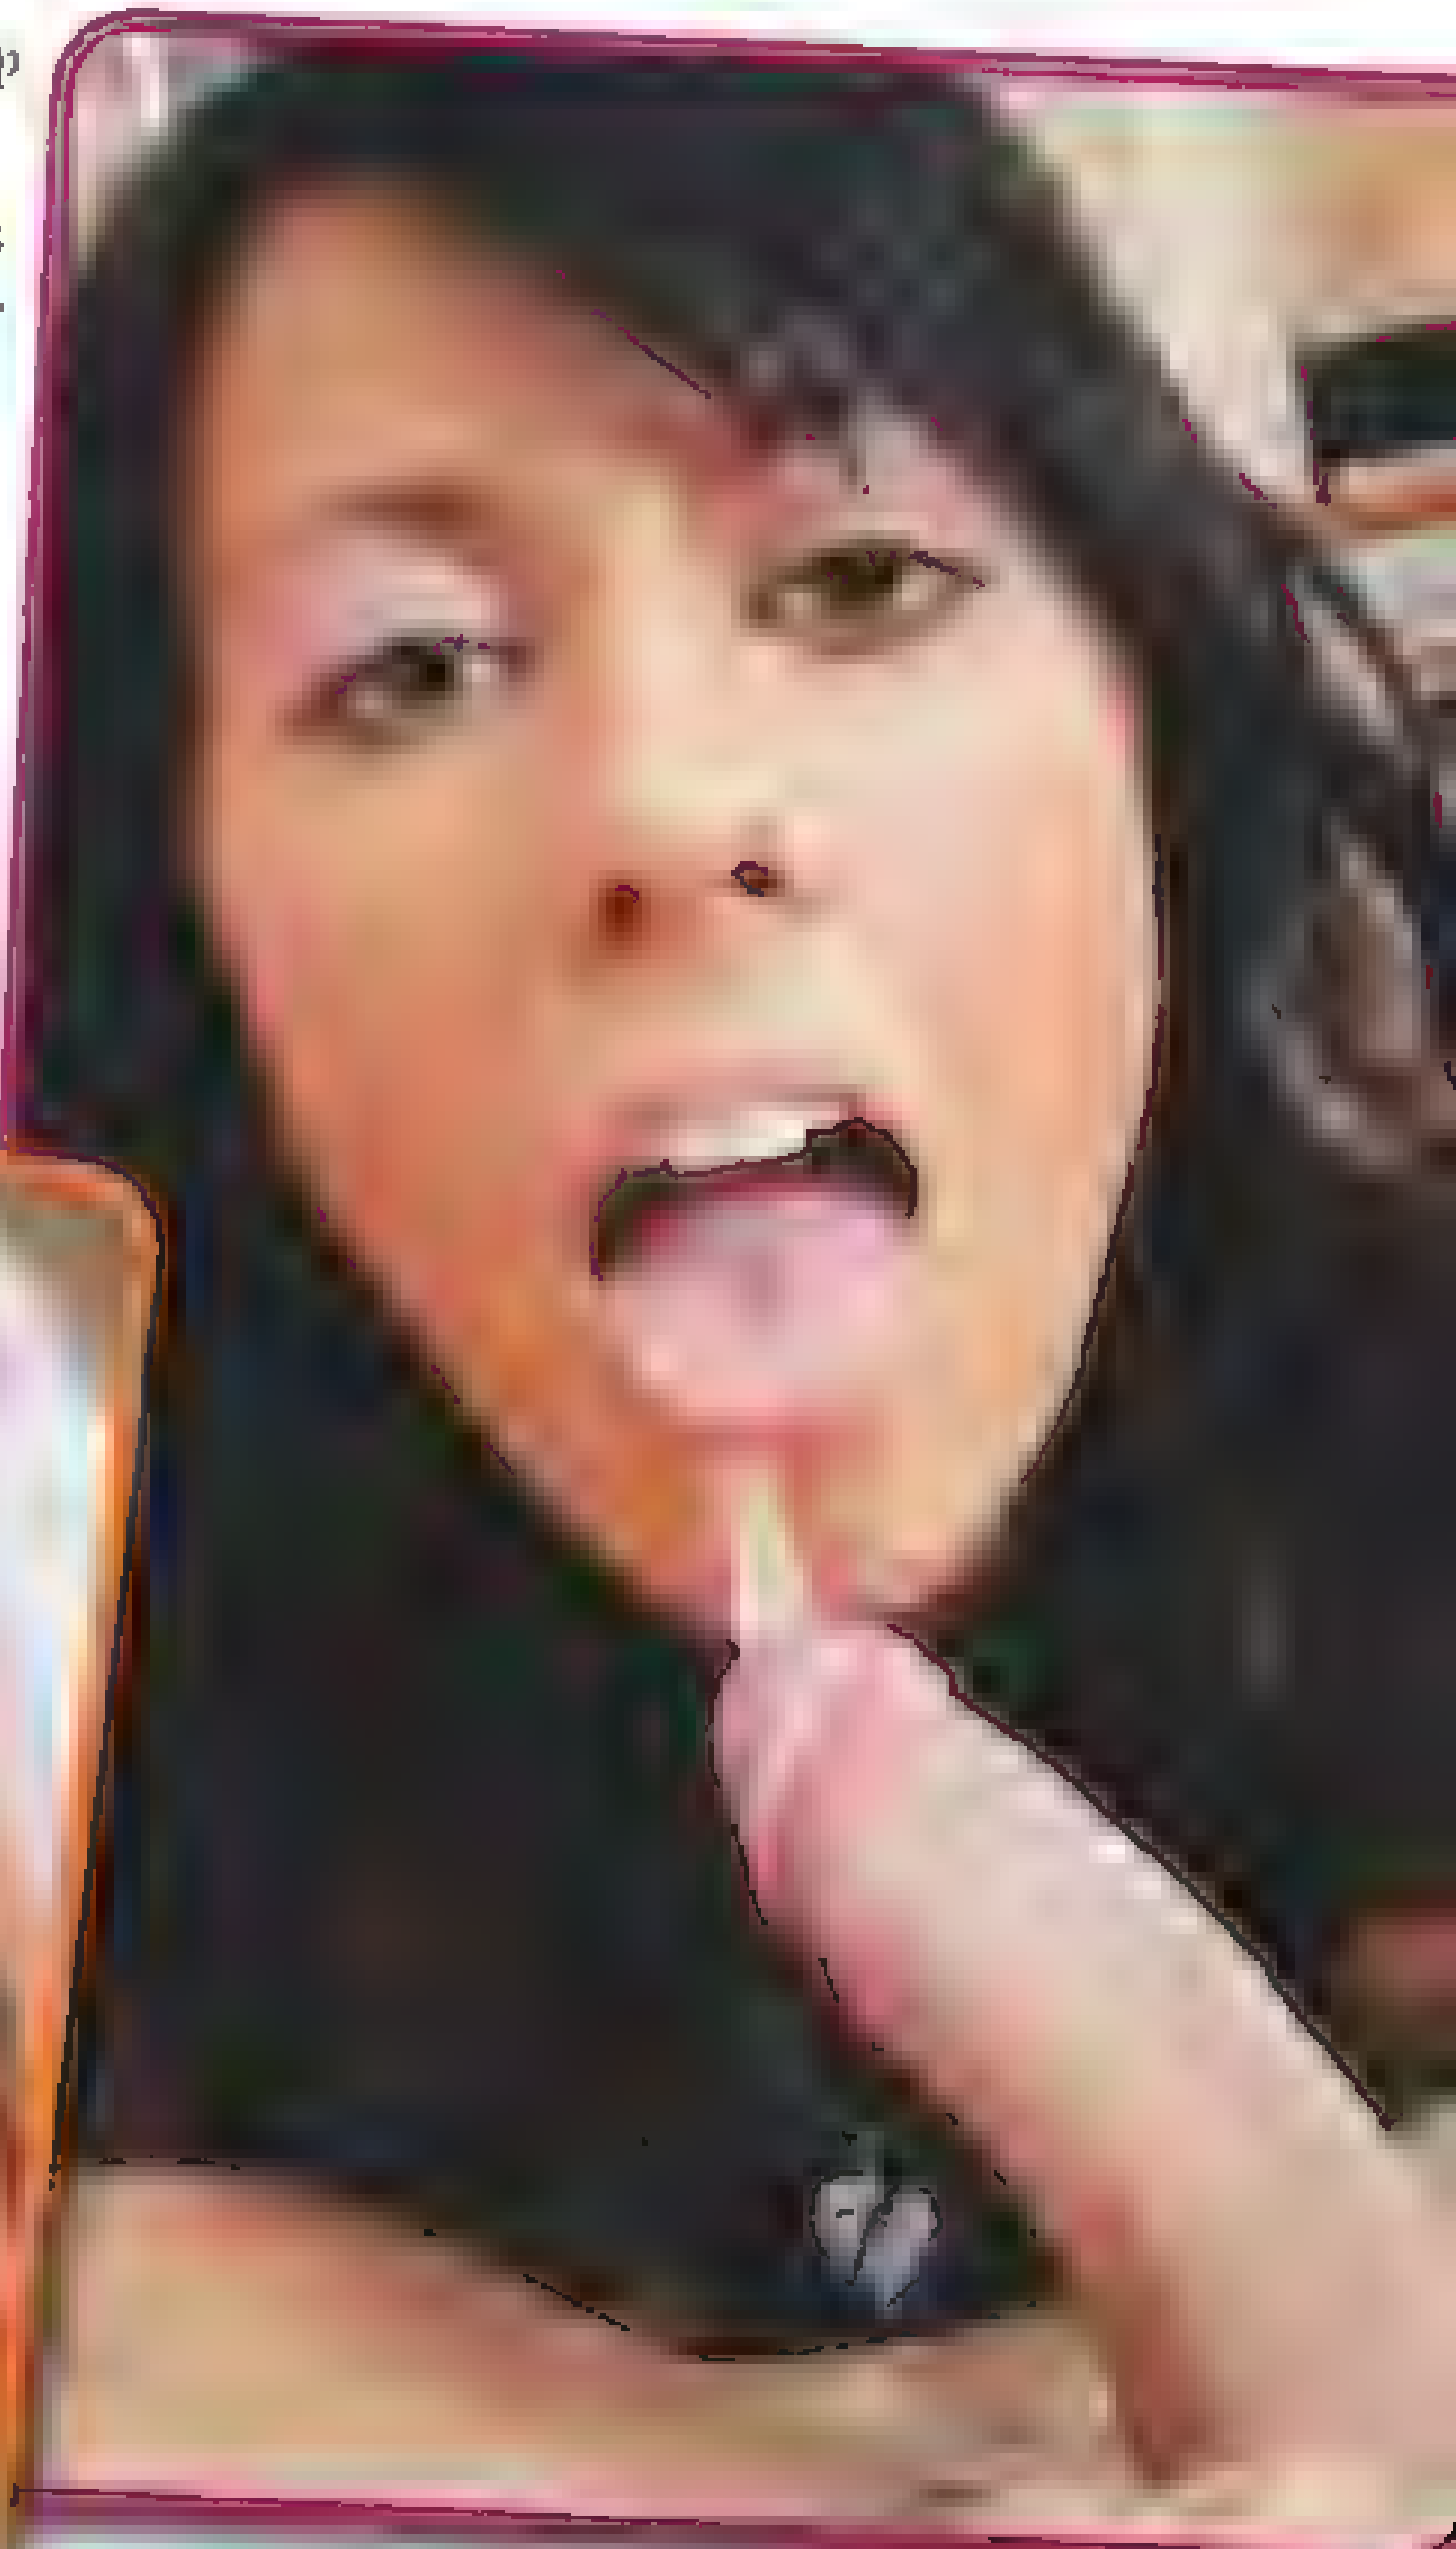

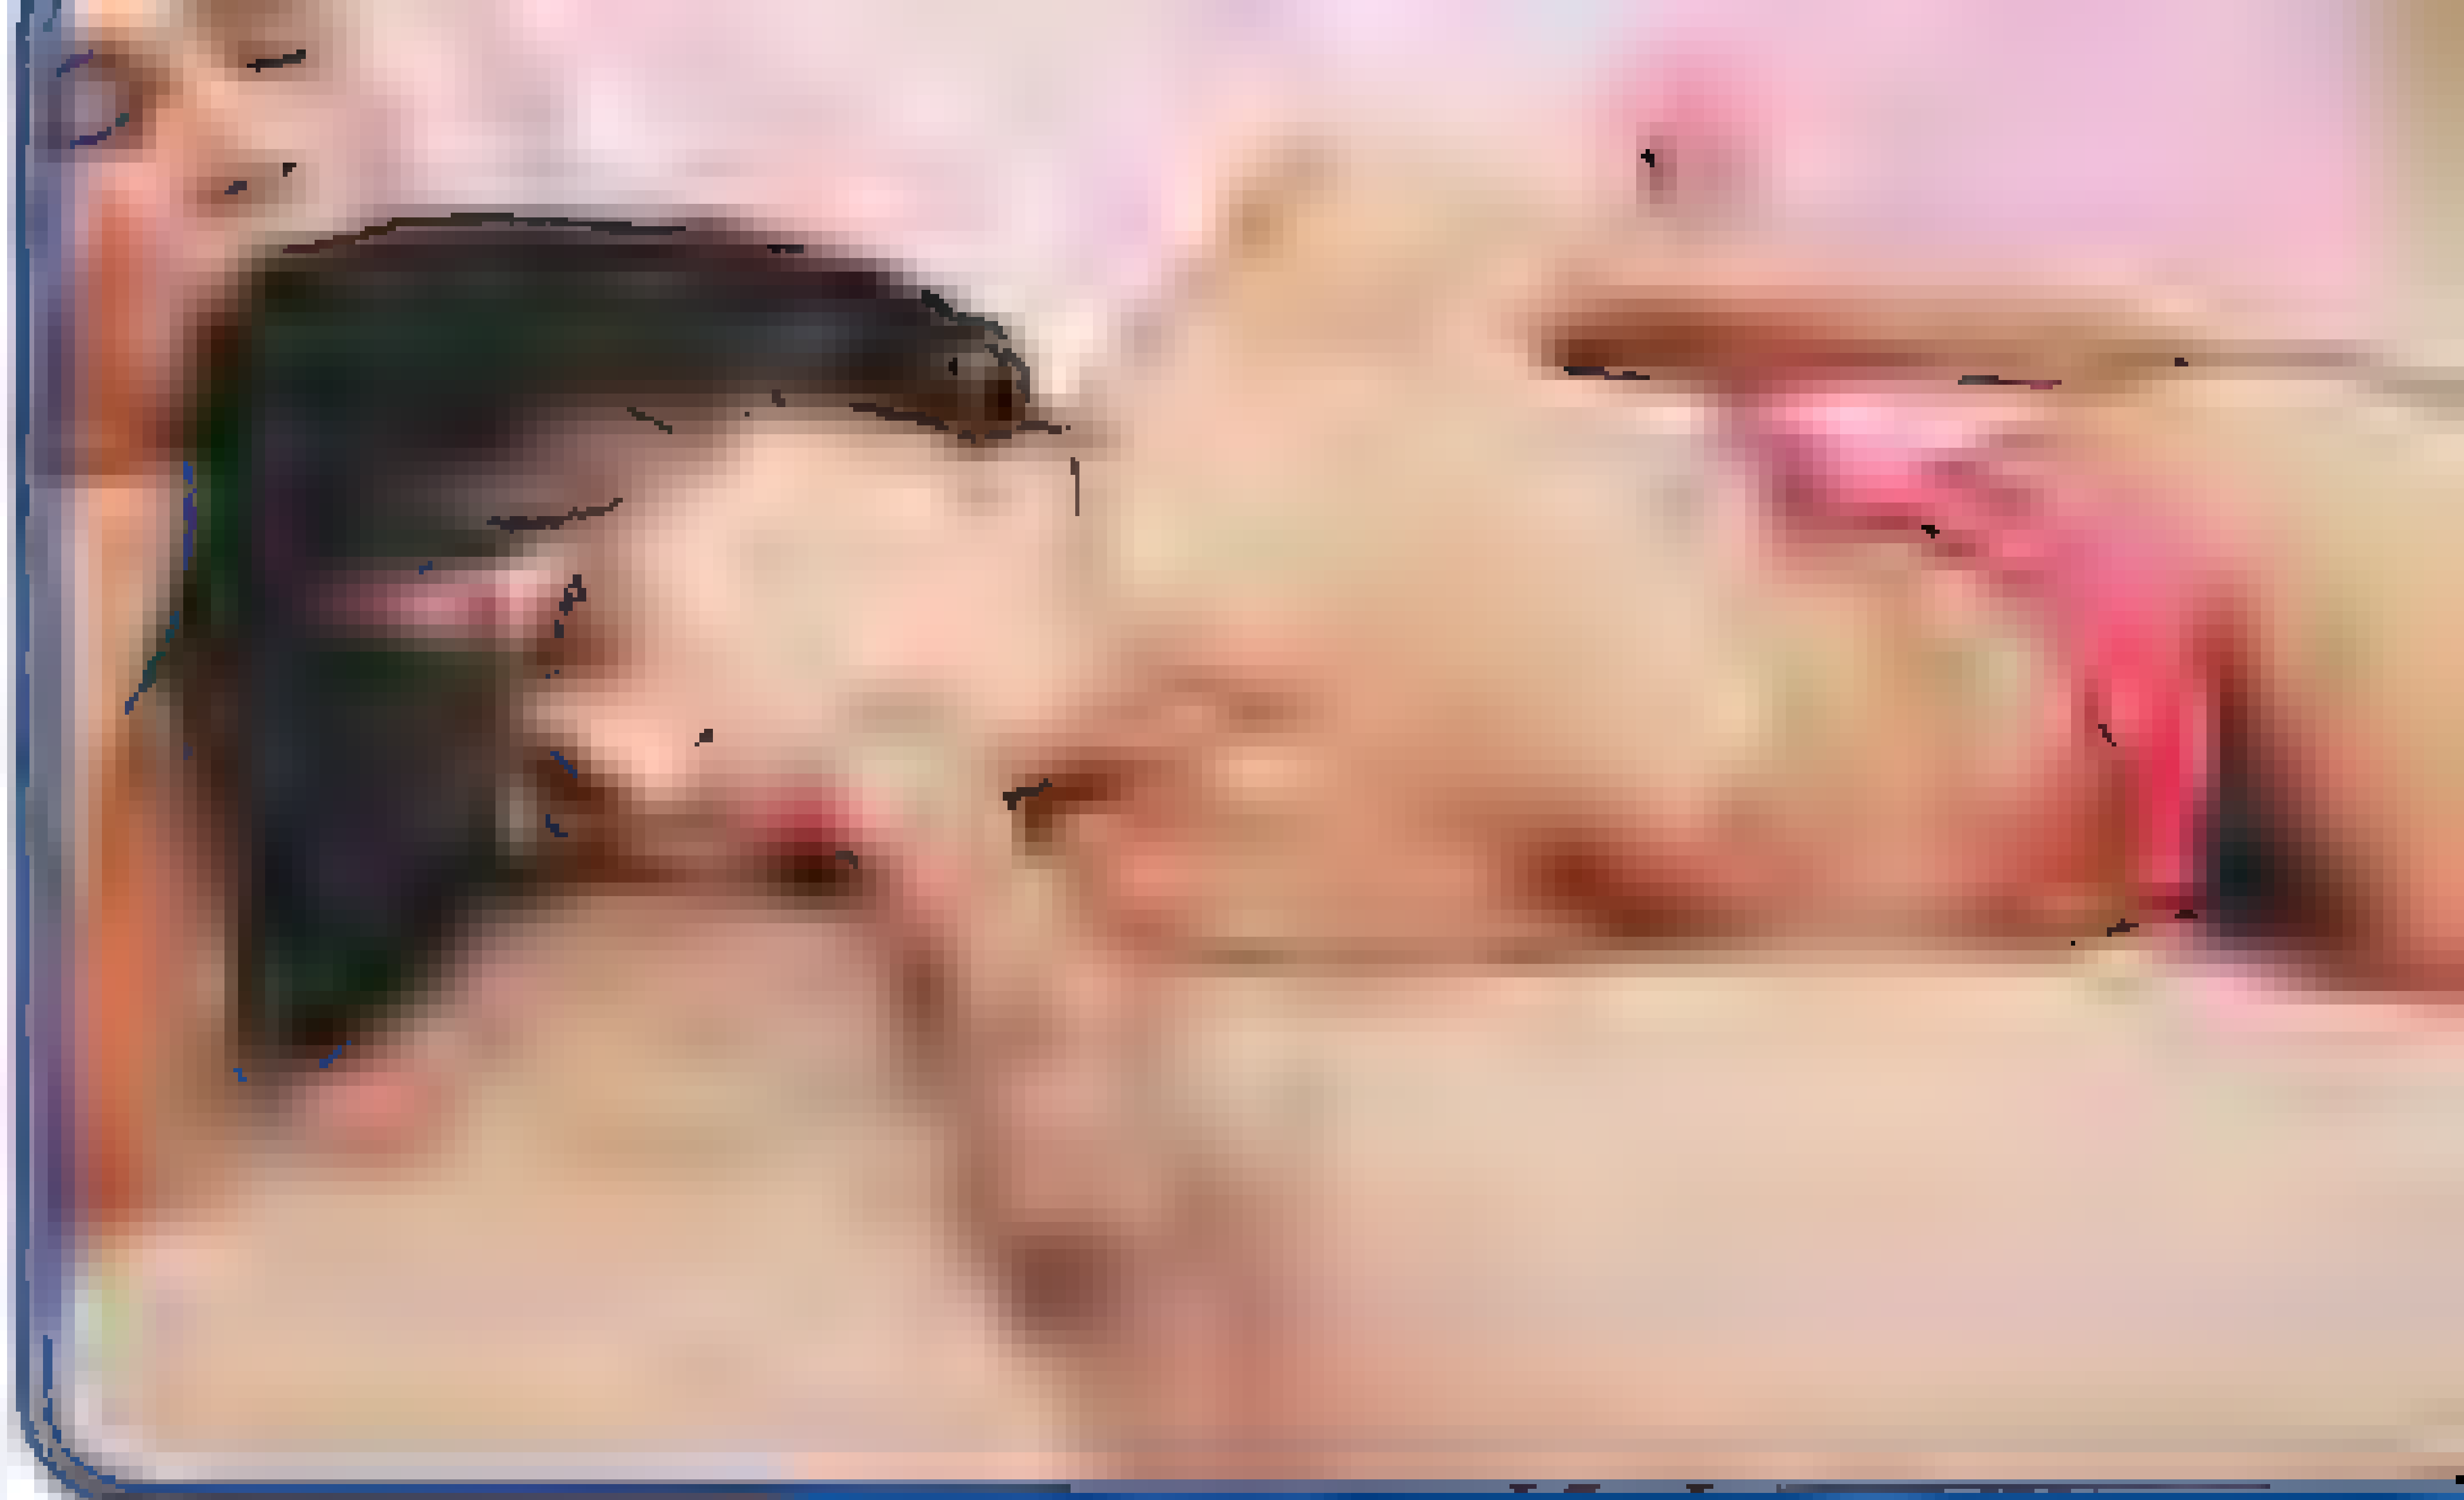

"All right, if I'm going to break abstinence, let me participate too," said Adam, tugging me up higher on the bed and putting my head on the pillow. He opened my legs and angled his cock down toward my wetness. I lifted my face so I could see him go in. After the first inch I just closed my lids and saw it all in my mind's eye—felt him fucking me. He held my ankles apart, firmly but not too hard, and he plunged back and forth so nicely.

"Oh boy, I wasn't expecting this! Oh boy, I promise I'll last longer next time!" Oh boy—ohh!" And then

suddenly he pulled out and squirted his stuff all over my tummy. I couldn't blame him. After all, he'd been taking that A-card thing pretty seriously for a whole solid month.

"Shit!" he said, slumping on the bed. He put his hand on my pussy. "I forgot how hot these things get!"

"You ain't seen nothin' yet, mister!" After all, I'd come there for an orgasm, and a little while later I made sure I got it! 

Nicole & Dennis

Before Dennis, I'd never gone all the way with a guy. I'd come pretty close, but always at the last minute I would panic and beg him to stop. But Dennis was, I don't know, different. He was awesome to fool around with and so goofy that I'd find myself laughing hysterically with my panties getting wet at the same time. It was awesome! So when one day he told me that he wanted us to do the deed I was like "OKAY!" And it felt really nice. We love playing silly little games in bed, like I'll pretend to be sleeping and he'll sneak up on me and start groping and fondling me to "wake me up." Sometimes he'll titty fuck me which tickles like crazy. He makes fucking so much fucking fun! The only problem is that it's hard for me to give a good BJ when I'm giggling!

KELLY

SO JUST EIGHTEEN

I'm a popular girl with tons of friends, which means that I'm always out meeting someone somewhere and doing fun stuff. So when I finally get some time alone I truly appreciate it, you know? Me Time is for one thing and one thing only—having hot and sweaty sex with myself. Chillin' by my lonesome and gettin' in a few killer orgasms is the best way I know how to relax. Rolling around on my bed riding my vibe is the best way I can think of to spend, say, a Saturday afternoon for sure. My tiny titties are so sensitive that just a light pinch of my nips puts me in the mood for more. That's when I turn to my toy, easing it slowly in and out of my pussy as I diddle my clitty. Some times I cum a dozen times in a row!

GYPSEY

So, yeah, I'm sexy. So the fuck what? That doesn't mean you're gonna get none! The one thing in this world that I'm better at than anyone else is getting guys hard and making them want me. Then what, you wonder? Well the way I see it, that's not really my problem. I don't put out for no one, no how. My tight little va-jay-jay has yet to have a prick up inside it and I'm not gonna toss my V-card to just any cholo no matter how well hung he may be. I'm waiting for the right dude to come along and sweep me off my feet. Someone who has something more to offer than just a hot time in the sack. That's not to say I don't get horny. Hell, I am right now! But all I'm saying is, for now, I'll handle it myself. 63

HORNDOG'S NOTEBOOK

BY MEL DRUNZELL

"Hey man! If you like to watch chicks jill off, wait till you read about what happened to Drunzell! He's an old dude who runs a porn shop...with a backroom where good girls practice going bad!"

DIRTY GIRL IN THE BIG CITY

My name is Mel, and I run a small porn shop, one of the last "old school" places in a medium sized Midwestern city. It has a nice touch of grunginess, peep shows in the back, a distinctive "men only" vibe, although most of the stuff I sell is hetero porn. Yeah, I'm a dinosaur and so is my shop; most of the "adult" places now in this metropolis are squeaky clean and female-friendly, often staffed by smart-assed tattooed young women. Me, I'm stuck in the 1970s and proud of it. When a customer comes into my shop, he can feel reassured by the nostalgic smell of Lysol used to clean out the video booths, the dog-eared rack of current and used magazines, the piles of cheap left-over VHS (you'd be surprised how many guys collect 'em), the racks of fresh DVDs, and of course, wall displays of vibrators, rubber goods, and slutty lingerie.

I'm a bachelor and this shop is MY LIFE

It was a rainy Sunday morning and I was the only one in the place, sitting behind the counter eating my bagel and cream cheese. Suddenly the door opened and with a rush of cool damp air a cute blonde chick walked in, looking around the place all wide-eyed and excited. She gave me a quick nervous smile and then walked toward the shelves. I knew from the git-go that she wasn't twenty-one, but she was trying hard to look it. She was nineteen tops. I was taking a chance letting her browse, but she was awfully cute and I didn't want to deprive her of an adventure. Or me, either.

She explored as if she was in a totally foreign place, like she'd stumbled on Mayan ruins or something. She occasionally took a disc off a shelf or

flipped through a magazine, but the sex toys really held her interest. I keep them on the wall on hooks, and she reached over to take a couple of them down. Reading the boxes carefully, she finally settled on a pink vibrator. As she reached up to give me the package so I could ring it up, I could see her hand was trembling.

"This is my first time in a store, um, like this," she said, taking out her wallet.

"Well, welcome aboard the world of adult entertainment I'm your host, Mel."

She giggled. "Well, Mel, I'm visiting with my best girl friend. We um, just graduated high school and planned this trip as our treat. We live downstate, in Willefordville." Very small burg. "We always wanted to come to the big city and see the sights."

"Lots of museums here," I said, zapping the UPC code on the vibrator. "Theater Music. Check out the aquarium. I recommend the dolphins. That'll be \$29.47."

Handing me a ten and twenty, her fingers shook so bad I wanted to give her a hug, tell her it would all be okay. "Um, I've wanted a toy like this for so long. But I don't know where I'll, um, hide it. I can't even let my girlfriend know I'm buying it. Kind of a prude. She's still asleep back at the

hotel. And I still live with my parents. I'm paranoid they'll, um, find it when I go home. I'll probably throw it away before I ever use it."

"That would be a shame." I handed her the change, the receipt, and the vibrator in a plastic bag.

"Maybe it's stupid to buy this. Maybe you'll, um, give me a refund? I changed my mind. It was silly to buy when I don't have a place to play."

"Why not try a bathroom?"

"That's not what I mean. I'll need my own apartment. I'm so paranoid."

"I tell you what, honey. I have a room in the back of this shop. You know, where I take a nap if I need one. Would you like to go there and try out your toy? That way, if you do end up throwing it out, at least you'll have tried it once."

She looked at me like I was either crazy, or a saint. When she finally spoke, I knew which one it was "Could I muster? That would really be, um...a dirty thing to do. I've led such a clean life. I wanted this trip to be the beginning of me...doing dirty things Um, you must know about a lot of dirty stuff, running a place like this. Would you come in the back and watch me? It would make me feel soooo dirty!"

I munched on my bagel, trying to retain my cool. This babe was up for anything. I guess she had a lot bottled up in that tight little body of hers. But of course, she was right. I knew a lot of dirty stuff And what

expert doesn't enjoy sharing his knowledge with a willing student? I locked the door of the shop and put up the "Back in 20 Minutes" sign, the same one I use when I take a hooker in the back. Then I led my new friend to the room On the way, she told me her name was Emma.

I keep the little room neat and friendly looking for my female visitors, pro or non-pro. "Ooh, that bed looks comfortable," said Emma, bouncing on it. She took the toy out of the box "I know I have to wash it first."

"There's plenty of fresh soap in the bathroom. Treat yourself to a new bar." I'd brought my bagel along and

munched while she rinsed the toy. Then she came back into the room and, kissing the toy on the tip, put it down on the dresser while she took her clothes off Oh man, what a sweet little number she was. Emma was definitely destined for dirty things. I really wanted a taste of her hot little boobs, but I held back. Only time would tell what I was meant to get from Emma.

Naked, she lay on the bed. I'd finished the bagel and didn't have anything more to put in my mouth, so I just drooled at the sight of her but kept it in my lips.

"I'm a dirty girl in the big city," she said, running the vibrator over her naked

thighs and belly and titties and up to her mouth. She sucked it while it buzzed away, and reached one hand down to play with her clit. She was so moist I could hear the squish as her fingers moved inside.

"Do you like watching me?" She slowly moved the vibrator along her tummy and over an unfortunate tattoo and down to her shaved box. "Maybe I'll do a sex show in your store one day!" And then she squished the toy into her slit. Rooted it around. It was a wonderful sight.

"Oh mster!" she gasped, sinking the thing even deeper. Her toes curled against the mattress as she arched her pelvis up. "I don't need museums or aquariums!"

I stood next to the closed door, staring. I wanted to run my hands over her so bad they were itching, but in a way it was a sweet torture. I had a feeling it wouldn't last forever.

"Omigosh this is the perfect toy!" she groaned. "Too perfect! Mad perfect!" Suddenly she was cumming on it. "Look at me! What a dirty girl I am!" Her pelvis bucked up as she held the toy with both hands.

When she finally calmed down, she lay there with a silly smile on her face, and the vibrator still in her hands. "Will you make my day complete and fuck me now?" she said.

"Wherever do you get those nasty ideas, missy?" I said, opening my pants.

"It's from living in boring Willefordville," she said. "Too much time to think!"

Well, she didn't do too much thinking for the next twenty minutes. I made sure of that! 🍆

96 JUST EIGHTEEN

Release: StoreMags & FantaMag

For my birthday I decided to do the most outrageous thing I could think of—have sex with two guys at the same time. Thing is, I loved it so much that I've been doing it on the regular ever since! Whenever I'm feeling like I want a double fucking, I call up my two hot older friends from work and they both cum running right over. Every time the three of us tango it feels fantastic! I love it when one of them is in my mouth while the other one is busy banging out my puss, but what's even better than that is when I've got a penis in my puss and another in my ass! Then I reach down and rub circles round my clit until I have an explosive O. After that I always swallow both their loads. I don't care what anyone says, being a slut is awesome! ☺

Diana

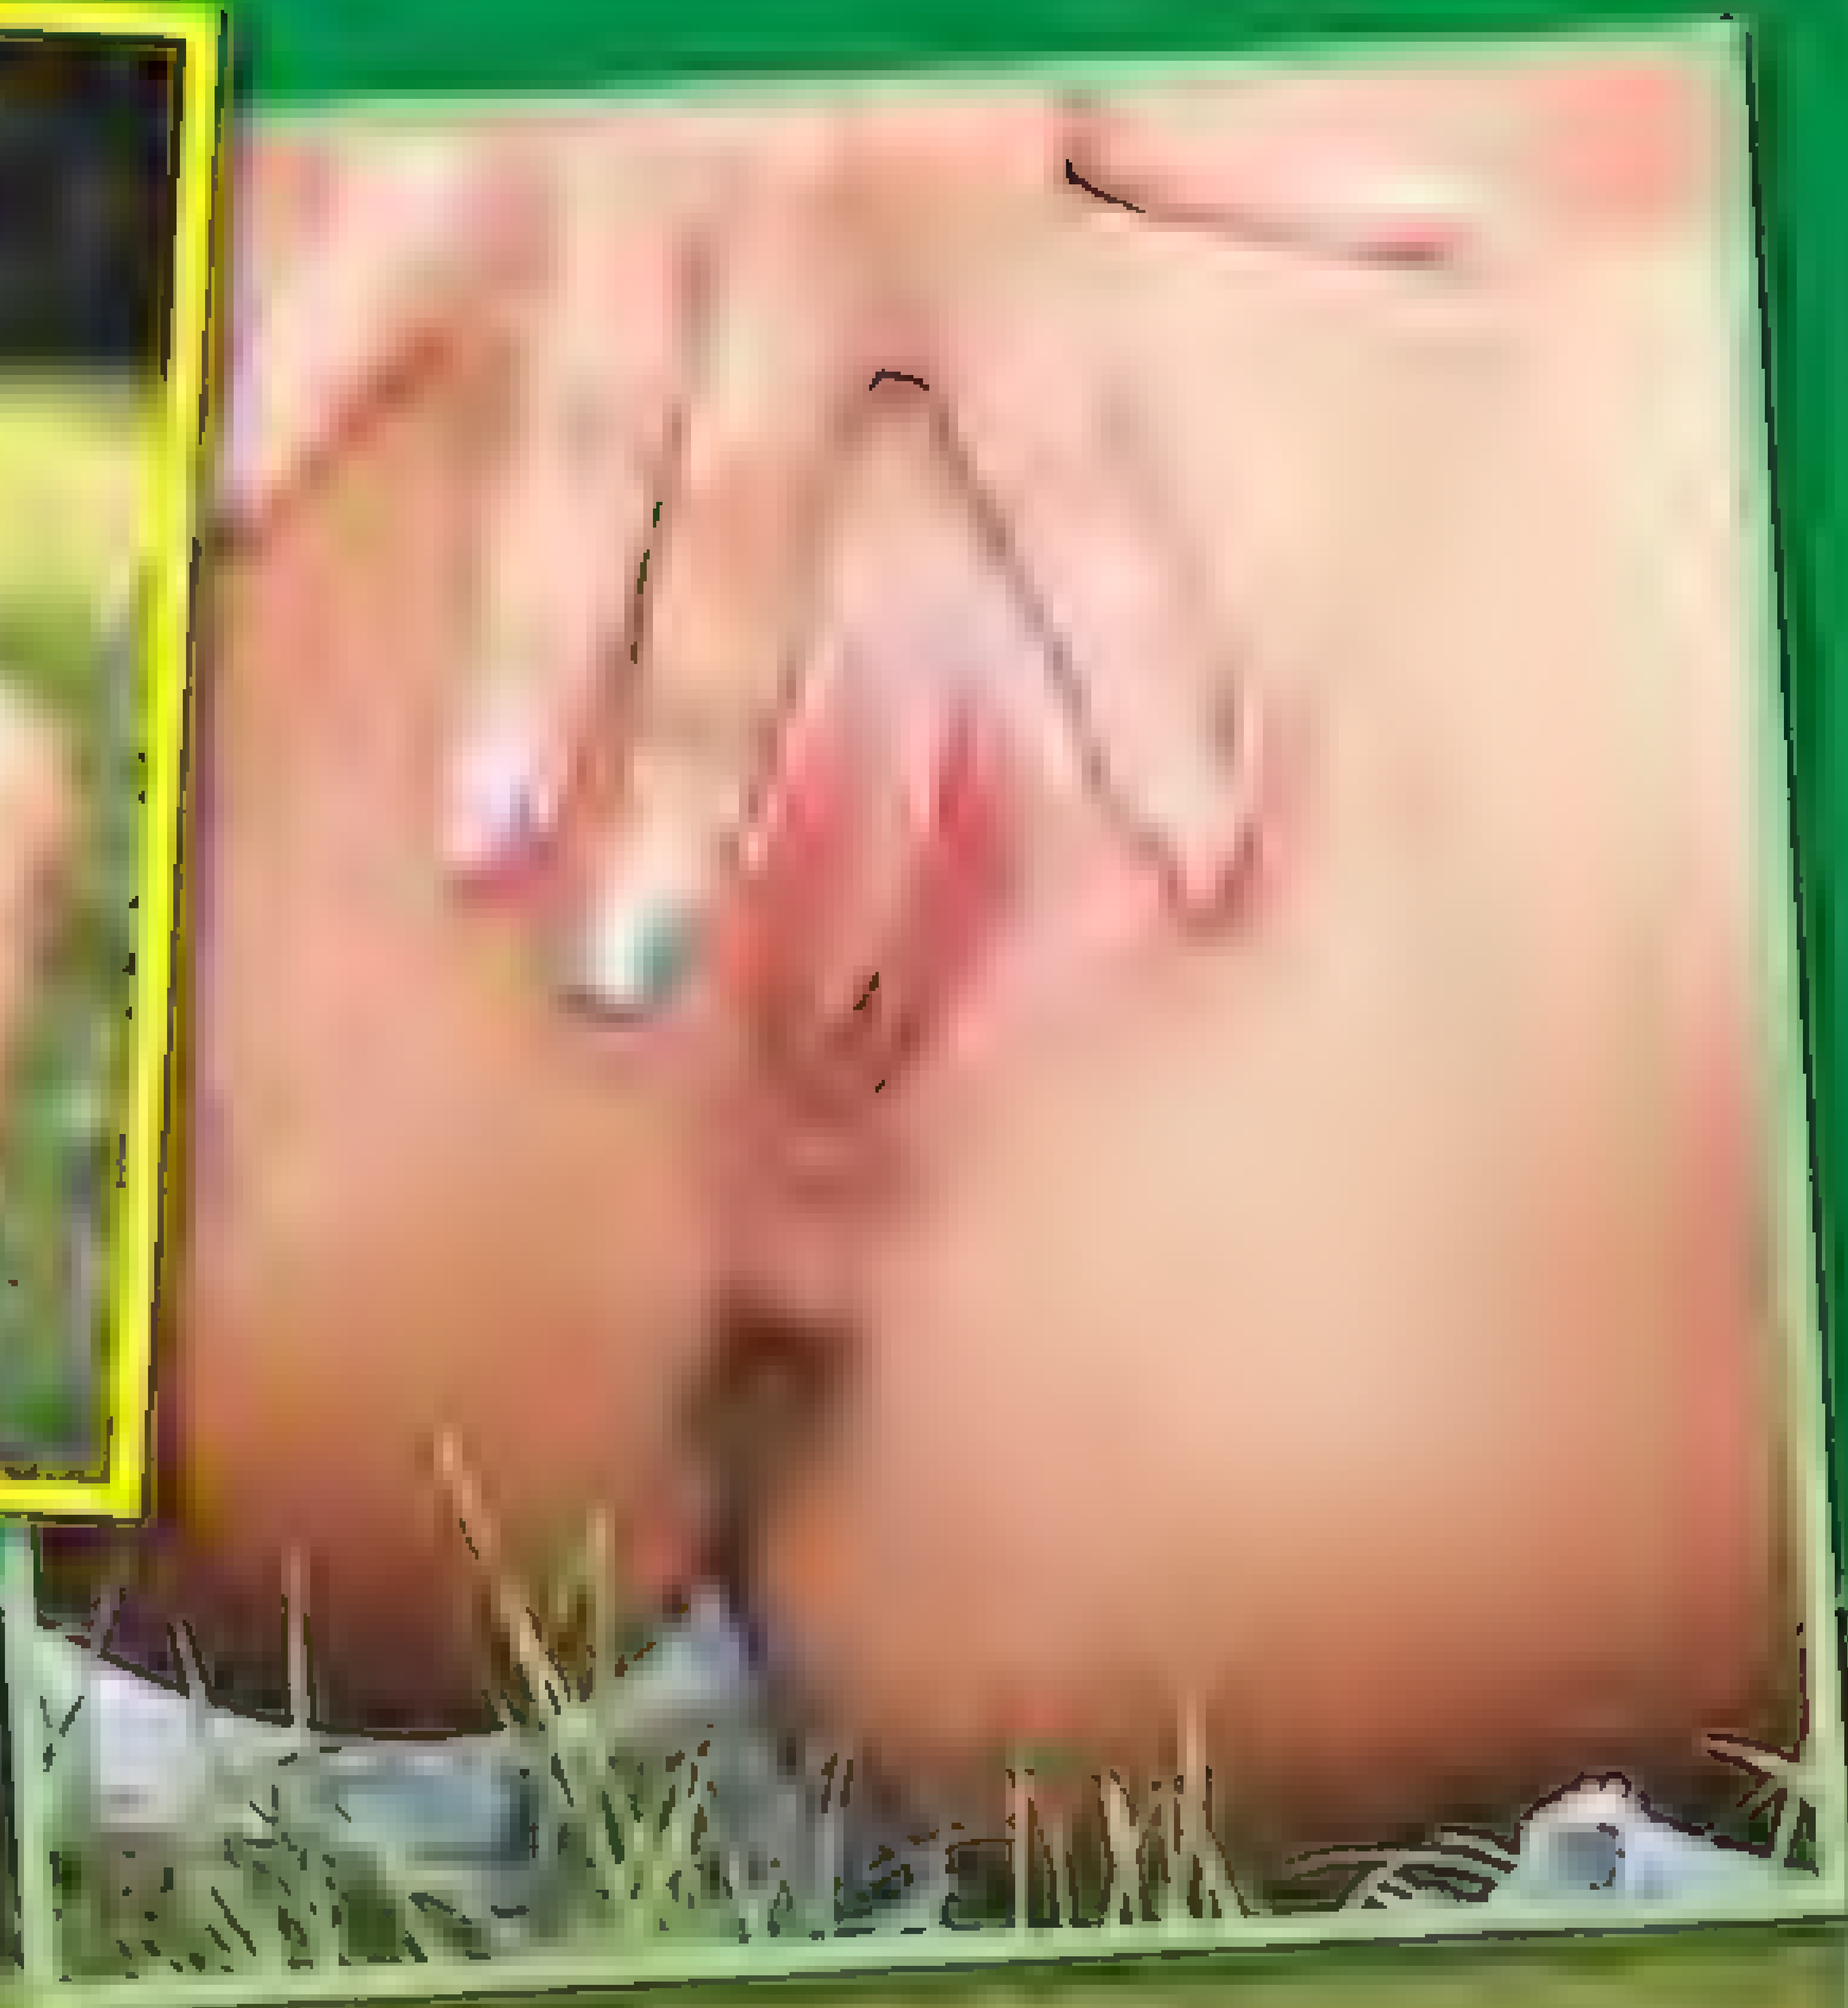

My friends all call me Dirty Diana because I'm always thinking about sex! I just can't help it. If I am awake then it's safe to assume that I've got boning on the brain. Heck, I'd say that I'm pretty much perma horny! Sometimes I'll just be out walking around or something and this intense feeling will wash over me—like I've got to get out of my clothes right now or else! So I have no choice but to follow my instincts and get naked. And once I'm naked, well, then I've just got to get off. My favorite way to cum is with a great big dildo stuck way up inside me—there's no other feeling like it in the world! Seriously, not even a real penis is quite as nice. That's cuz I can wiggle a dildo any which way I want, to maximize my MMMMMM! ☺

Look out,
here she
cums!

Everyone always tells me I have a really good vibe, which I guess to them means I'm easy to be around or something. Whenever someone says that to me I have a private chuckle, cuz it's true but in a way they'd prolly never suspect! My vibe is GREAT, not just good, especially when it's got a fresh set of batteries loaded inside! I make a special point of using it on myself every single day. I move it slowly in and out of my tight little pussy hole and hum right along with it. It doesn't take much of this till my gash is a gushin' and all is well in my world. Cumming makes me happy! So if I do seem super relaxed it's most likely because I just squeezed out a whole bunch of O's. Mouths aren't the only lips that can smile! ☺
